Eligibility Statement > In consideration of the Packaging Council of Australia accepting my submitted entry in the 2008 Australian Packaging Awards I agree to abide by the Australian Packaging Awards conditions of entry and declare that my entry complies with all the conditions governing the competition and all information supplied by me is true and correct. I warrant that the packaging submitted by me has a significant Australian contribution in design and/or manufacturing and/or intellectual property. I warrant that the 'intellectual property encompassed in my entry has been conceived and substantially developed in Australia. The brandowner of the product submitted has consented to its entry and I am authorised by all persons with any interest in the product to enter the product in this competition and to permit its subsequent use. The submitted entry does not infringe any patent (whether granted or pending) and complies with the Packaging and Labelling Regulations applicable to the product and the container. The entry is either in commercial production or committed to distribution prior to 18 July 2008 for the Australian market unless entering the Colorpak Packaging Export Award. I indemnify, and keep indemnified, the Packaging Council of Australia, its servants, agents, employees, sponsors and sub-contractors against any costs or damages which may be incurred by it or them as a result of their acceptance of my entry or their subsequent use of my entry in any promotion or advertisement.

How many samples?

Enter 1 category
send two physical samples

Enter 2 categories
send three physical samples

Enter 3 categories
send four physical samples

Note > Providing an additional sample allows the judges to open and inspect a sample pack to judge true fitness for purpose, whilst providing them with another un-tampered sample to be photographed and displayed, if they are deemed successful in their category. **Special Notes** > If the entry is of a cumbersome nature it is necessary to provide only one sample. If contents require refrigeration clearly state on outer pack. Use of dummy product is preferable in these circumstances. The Packaging Council of Australia Inc cannot accept responsibility for packages received in a damaged condition although every opportunity will be given to entrants to provide replacements.
